

The Baton Rouge Youth Coalition is...

an outside-of-school program that prepares high-achieving, under-resourced high school students – called “Fellows” – to enter, excel in, and graduate from college. Our core programs take place Monday through Thursday evenings from the start of August through May. We seek dedicated, talented professionals who share our values:

Hustle

Go hard.

BRYC team members master their material, plan fanatically, and execute at the highest level.

Integrity

Be just.

BRYC team members do the right thing, seek constantly to grow, and value assets over deficits.

Community

Maximize BRYC.

BRYC team members spread love, show up when they are needed, and drive resources to BRYC.

Position Overview

Camp S'More Points is a month-long, outdoors-themed program during which our Senior Fellows prepare for the July ACT. BRYC seeks effective part-time instructors who are as pumped about helping Fellows get s'more points as they are about creating an unforgettable summer camp experience.
